

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Every charge the regime has charged Trump with fits Bite-me to a "T!" That dementia geriatric and his entire family commit treason after treason and the Republicans just stand by and let it happen, stand by and watch all of our rights be eroded to nothing... while they look down on "We the despicable."

Trump did the right thing and secured our borders and had our enemies at bay. Even little Kim in North Korea had calmed down for a while. Now the whole world is on fire and Joe and the democraps did it all to cover their corrupt trail and the treason of Hunter Biden.

In the mean time, "Ole Joe" sent three thousand of your sons and daughters to the Red Sea. Bon Voyage, youngsters, you're going too get killed to keep Joe and Hunter out of jail!

Why don't we send Hunter to the front in the Ukraine to fight for his ill gotten gain? After all, he seems to like guns! He purchased one illegally, after all. This way he can have his gun and plenty of ammo for free. Let's put him in a fox hole and say, "You stay there, Hunter! We'll be back!" and he asks, "What am I supposed to do?" So, you tell him, "You will figure it out any minute! Time to earn that eighty three thousand a week!" Well, the chances of Hunter ever going to jail are slim. I remain dubious about that!

Time for this old Reb to ride!

"Corporal, I think we should intercept their freight wagons and work backwards to catch them all. I sent Big Bob and Little Bob with a couple of hands to head them off! I'm afraid there won't be a trail herd this year, Mr. Harris!"

"But, there is a new rail head in Fort Worth. When this is over,

we can take them there."

"In the meantime, bring those other fellows that the Rangers caught. Jimmy, do you recognize any of these others?"

"Yes, sir, Captain! That one with the big hat! He's the one that shot my father! "

"Should we shoot him dead, boy?"

"No, sir! I want to see him swing!"

"This might be his unlucky day!"

See you on the bridge!

P.S. The Georgia indictments are just more evidence of treason by the democommies who are, themselves, guilty, guilty, guilty!!! The more they do this, the stronger Trump gets. And he is right, "Justice is dead in our country!"

P.S.P.S. If you think what's happening to Trump has never happened before, think again. Martin Luther King was massively

influencing Americans to forget about color, race and hatred. Everyone was getting into that. Well, that didn't sit well with the democommies at all. King went to jail 29 times and was arrested more often than that. All because of our ever crooked Justice Department. Once he was arrested and jailed for doing 5 miles over the speed limit, because he was black and helping the Rosa Parks group's protest of segregated buses by simply giving them a ride in his car.

He was wiretapped by the FBI and labelled a communist (by those we now know to be communists themselves). When being arrested and charged with dozens of crimes over and over again didn't silence him, they murdered him. What is happening to Trump is not new. The truth we all know is that the democommies will do absolutely anything to maintain power. Buckle up.
