

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Welcome to what passes for an Islamic State – a caliphate, as it were – beheadings, mass murder of Christians, women being sold and traded as sex slaves. This is what they call a “religion of peace” – that has declared war on America.

Our borders are wide open, our leaders on vacation or playing golf... or on the proverbial campaign trail raising funds to be re-elected. Re-elected to what? Or is it too late to matter?

Anarchy in Missouri... Police with tanks in the streets... “My God,” welcome to “1984.” Surrealistic, isn’t it all? I mentioned, in an earlier issue, about embarking on our Seventeenth Crusade. Well, now you know some of the reasons why we fought Islam – that peaceful religion – *sixteen times before* – and then as before the time of Jonah (whose tomb was blown to tiny pieces by this same religion of peace)

By the way, anybody old enough to remember the sixties, when the Black Panthers began to appear? Remember, some of them converted to the Muslim religion, along with Malcolm X – who was later murdered for snitching on his own. They, too, weighed in up in Missouri with, not to mention (yep... you guessed it!) none other than... live and in person... Jesse “give me money” Jackson. I don’t know about you, but when someone uses tragedy to beg money, that is beyond heartless.

People are now seeing the possibility of war. I’ve been say-

ing it all along. Weak leadership, the country in turmoil, our national debt beyond recovery, our military so damaged by our so-called genius leader that it cannot respond with the might and strength to defend that which it should have.

Yes, there it is, Tsun Tsu “The Art of War.”

Time to ride. The death of the South is at hand. We are fighting yet another rear guard action! We’re being chased through our own country.

See you on the bridge!

P.S. There is only one way to stop these goat herders and that is to kill them until they beg us to stop. Then, you don’t stop until you can’t find any that even want to think about it anymore. It has been the only way sixteen times before. This time, as before, it’s all or nothing folks!

How many of you born-again are ready to rabbit

and convert? “A?” Personally, I, the Reb, have an aversion to smelling like a camel and subsisting on baklava and goat cheese!

P.S.P.S. Spain is next on the ISIS list. If anyone knows about Islam and this peaceful religion, it’s Spain! Anybody ever heard of The Cid? He was a real man who lived our future several hundred years ago.

History, my friend... history is always the key to the future! Window into the past! Pay it no heed and you are doomed to failure! By the way, this ain’t no movie, Beauregard!

1st Islamic Empire: Map of Umayyad Caliphate c. 750 AD

John Quincy Adams, U.S. Founding Father on Islam: “The vanquished may purchase their lives by the payment of tribute; the victorious may be appeased by a false and delusive promise of peace; and the faithful follower of the prophet may submit to the imperious necessities of defeat: but the command to propagate the Muslim creed by the sword is always obligatory, when it can be made effective. The commands of the prophet may be performed alike by fraud or by force.”
