

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGENOT

Ah! The "Bite Me" opens his mouth and vomit flows. Trying to tell black Americans that if Romney is elected they will be back in chains. Well, Joe, your party has never unlocked the rusty Jim Crow chains you placed on blacks generations ago! And here you are clanging those same old leg irons to keep them stupid with little or no education, subservient to welfare while you, Joe, live high on the hog and steal, lie and deceive with the help of lackeys like Jessie Jackson and "Reverendddd" White!

Haven't you ever asked yourselves what, exactly, Jessie and the rest are getting out of keeping us at each other's throats? Only liars and thieves would do such. You can always be sure about one thing. If Joe says it's gold, it's probably lead because he and Obama have spent the gold and are working on the silver and the crumbs. What bites my cheeks is the fact that these wads of collusion will never be forced to pay back all they have stolen... or even brought to trial themselves for what they would try you for—and convict you and throw away the key in the drop of a hat.

Why? That's the nature of thieves and liars. Whenever I see Joe "Bite Me," I am reminded of Mussolini! The same kind of mannerisms. The same kind of rhetoric. The same attacks on his opponents. While answering to a higher evil. When all was said and done, old Il Duce was invited down the road with his mistress and one of his generals by partisans. Promptly machine gunned and then tied to a car and dragged by their heels past his house and their bodies hanged by their feet in the town square. Although it was communist partisans, that did him in. They were just doing what all commies do. They were just eliminating their fascist competitors! "Ah!" You see, like all good big-time criminals—never leave your enemies to bite you in the ass.

It won't be long now, Obama is showing his true colors! Don't blink, it's slight of hand, smoke and mirrors... what we, in the South, used to call flim-flam. What really bites my left

cheek the most is that, knowing what these criminals are doing, the law enforcement officers have yet to do their sworn duty and arrest and jail these usurpers... not to mention all those officers in our military that have also been forsworn, continue to follow orders spit out to them by an illegal regime!

Is that what is called "collaboration?" Isn't that what Visi French did for Adolf? To our officers and military everywhere: what does it mean to protect our country from enemies foreign and domestic? You are engaged in protecting us from foreign enemies. Now, how about domestic ones? Those destroying from within! Racketeers, tax dodgers, conspirators, Obama's entire cabinet!

To announce that there must be no criticism of the president, or that we are to stand by the president right or wrong, is not only unpatriotic and servile, but is morally treasonable to the American public.
- Theodore Roosevelt

Eric Holder, now there's one. Why isn't he now sitting in a cell awaiting trial? Because no one wants to be the first to sacrifice! Hell, if that's all it is, well, swear me in and the Reb will do it for all you cowards. You know, cowards will always justify why they ran. They can never find a reason to stand!

Well, time to ride. Both sides cut to pieces this day. This old Reb had to find a new horse... Left ten thousand in the road who'll not hear reveille.

See you on the bridge!

P.S. I would rather weather the bee than to spend my life trying to justify cowardice. A man with no country, no loyalties, no flag of my fathers! May our creator be with us who stand! Should I fall, who will continue on in my place? Are you afraid?

P.S.P.S. Once asked a police officer to ticket another officer for breaking every traffic law on the books. I was told, "not a chance" because he was one of them! Justice for all? So, is Obama and his law breaking entourage off limits for some usurping reason? Justice for the little people only? Is there no one with a badge brave enough to do their job? Isn't up holding the constitution part of the oath? Time to choose, boys! And now!
