

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, Old Joe has moved from senile to murdering bastard! Because of old Joe, thousands will be murdered in Afghanistan! Good going, Joe! How about all of you Democraps, who helped him usurp the Whitehouse? Your hands are covered in Afghan blood!!! You're dripping from head to toe in blood!!! "Bloody Joe Biden," a title well earned!

I once met a man who was a survivor of the fall of Saigon! He was famous as being photographed as he crawled up the loading ramp of one of our cargo planes, as it was taking off... in his underwear! The last man out! He resides in Oklahoma. He can tell you, first hand, about the sheer terror of it all!

How about it, Democraps? Can you hear the screams? Can you hear the machine guns? Can you feel the fear?! No?! I think not, since you are so used to turning your heads, so as not to see... and walk away, so as not to hear! "The Killing Fields" of Afghanistan! Thank you, Joe! Thank you, Kamala! Thank

you, Democraps everywhere! I know you have no shame for what you have done! No guilt!

It's always someone else's fault. The Democrap party, the party of betrayal, chaos, anarchy and now, mass murder!

"Bloody Joe Biden." Damn him and the camel he rode in on!!!!

"I can't tell you, Captain, to see that boy and the Corporal."

"I know the feeling, Mr. Harris!"

"So, Cap, what shall we do with these bloody cowards and the

money. It could cause trouble among some of the drovers!"

See you on the bridge!

P.S. Jimmy "Peanut" Carter: the Iran hostage crisis and the disastrously failed rescue mission in the desert. The Clintons and Bloody Janet Reno: Waco, 95 men, women and children were murdered! Obama, Old Joe and Hillary: the Benghazi disaster!

And now, for your entertainment, the trophy goes to "Bloody

Joe Biden!" Please stand and applaud a world class butcher! Now, right on schedule, they are going to use the 25th Amendment to impeach Old Joe, which was the plan all along! And this Old Reb said so a long time ago!

P.S.P.S. The Ruskies are now dissecting every piece of our technology, left behind by "Bloody Joe," the American military and the Afghan army. And if you don't think they won't share their new-found knowledge with our enemies, you are

ARE YOU MAD YET?

Democrap as the jackass (which is the mascot of their failed party). Everything is now compromised beyond belief! F.U.B.A.R., "A?"

Now, to top that off, "Bloody Joe" and his partners in crime have turned over a complete list of all Americans and allies left in Afghanistan to the Taliban.

This is going to turn into a bloodbath of Americans and our Afghan allies, and responsibility lays directly at the feet of Democraps! Are you mad yet?
