

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well! Why the Republicans call themselves “Republicans” is beyond this old Reb. They have been bought lock, stock and soul by the Democrap party. By voting to pass Obama-pie’s rotten deal for nukes, the Republicans have joined the ranks of the insane!! Boehner, Graham, McConnell... all feeding on our money and selling us out to the highest bidding criminal they can find! Every one of these so-called leaders have been, and currently are engaged in treasonable acts against our Constitution and flag. And they want us to elect them back into office and—low and behold—the simple minded and the ignorant do it! Incredible!

Let’s look at the Democrap field of candy-dates! Bernie Sanders, a professed Communist@ Joe “bite my ass” Biden comes complete with his foot already stuck firmly in his mouth! And, of course, sweet little Hillary dillary dock. Scandals, including murder, espionage, treason, a predatory pervert for a husband (who brings us dishonor and makes us a laughing stock everywhere he goes), who’s entourage includes Al Gore, the matron rapist and a billionaire pedophile. What an honorable group to invade our most sanctified office.

They say Nero fiddled. Well, these people have a whole stinkin’ band, complete with light show! Because of traitors and the back-stabbing of the American people, the Iranians have acquired brand new fighters, on which to place their brand new nuclear weapons. Doesn’t this all make you feel safer now?

I’ve heard it said Trump is a Democrap who has flip flopped over to the Republican side to get elected. Well, he is giving better than he’s been hit with, when it comes to the Democraps. He is

pitching hard ball in a game in which each hitter is aiming a line-drive at his head. So far he is striking out their best batters as they step into the box to raise a bat. It’s called a “quick pitch.” Down and dirty and gets the job done! Trump is obviously used to winning and I like a winner.

So far we’ve been forced to be second rate with second rate politicians. Don’t you think we should strive to win the game? I hope he goes the distance; we need a strong leader who will do his job and secure this nation and it’s Constitution once and for all—and for the rest of time!

“When a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce [the people] under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.”

Thomas Jefferson

Time for the Reb to ride. We took refuge in an arroyo yesterday. The skies clouded up and the winds picked up, hail began to fall like nobody’s business. After it was over, we climbed a small hill to see something few have seen... the mile wide path of a monster that just missed us! It spared nothing in it’s path.

Welcome to the plains!

See you on the bridge!

P.S. From the looks of things, Syria seems doomed. How long do you think

it will take the King to abdicate and head for gay Pari? Not to mention, Putin is retaking the Crimea. I don’t know about you, but it sounds as if a World War is going on! Or is just starting to gain momentum!

P.S.P.S. I’ve mentioned this before, but heard it recently again. That is the possibility Michelle might get into the Presidential race. That would just about round out the selection the Democraps have lined up. After all, as a disbarred criminal, having committed insurance fraud in her first year of practice, she fits right in!
