

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

So much for “no one will be left behind,” “A?” Meanwhile, back at the ranch... Bloody Joe Bite-me has decided, along with Arnold and Howard Sterno, screw our freedom; take the shot or else!

These imbecile morons have absolutely no idea what the long term affects will be for the job, and they are already hiding everything rotten about this stuff. “I smell something rotten in Denmark!” All these socialists want is total, without question, compliance and nothing less. Anyone who refuses will be delt with by any means at their disposal! Your job, your children removed from schools!

Bloody Joe says he is frustrated with we the free—some 80 million of us—who say, “F-off, Joe!” We have had enough of you democrap criminals and liars! And, if you don’t know what F-off means, I would be more than glad to show you, Joe!

Freedom! Freedom!!
Freedom!!!

Tell those socialistas, “Hell no!” Let freedom ring around the world. Let it start where it was born. Dare to rebel. Dare to brow beat the democrap. Get in their faces, make them run. I want my country back!

How do you spell treason?
J O E B I D E N !!

Time for this old Reb to ride.

“Mr. Harris, we need to put this money in a safe place.”

“Aye, Captain! I think we need to keep a sharp eye, as everyone here knows about it.”

In 1933 Joseph Goebbels, Reich Minister for Public Enlightenment and Propaganda for the German Nazis in power, told Germany that he was “losing patience” with those who were unwilling to comply with the new Nazi regime’s edicts. Before the Nazi’s took complete control, Germany was a free country.

On September 9th, just days before the 9/11 20th anniversary, Joe Biden said he is “losing patience” with Americans who are unwilling to comply with the new regime’s edicts. They are completely unconstitutional and those in power know it. Before this administration took control, America was a free country.

“You’re absolutely right, Mr. Harris! I’m going to send the Bar-T vaquero to bring the army to us! We’ll lock up this money in the supply wagon with the corporal. Big Bob and Little Bob are going to take care of those two deserters. Keep those two tied and gagged. Keep your pistols close.”

“Aye, Captain! We’ve got deserters, a large amount of money that doesn’t belong to us, Comanches all around, 6,000 head of

cattle, a bunch of wild cowboys and we are still two hundred miles from our destination!”

“What could go wrong, Mr. Harris? Go wrong! Go wrong! Go wrong?”

See you on the bridge!

P.S. Just remember where the Terminator, Arnold, was from... the formerly Nazi country of Austria, the country that gave us a very disturbed Adolf!! No wonder he doesn’t give a crap about our freedom. You know, Arnold, the free country that made you rich!? So, screw you Arnold!!!

P.S.P.S. Interesting... Bite me shows up to a meeting with the parents and families of the 13 soldiers killed at Kabul Airport! They gave old Joe the proper greeting he deserves wherever he and the Camel go... that should be their greeting.

Old Joe was told to go fish and stay away from the 9/11 ceremonies at ground zero. He showed up anyway and ate the bag full of camel crap! It’s even getting worse. He thinks he can just dictate to us how it’s going to be, by presidential edict! Who the hell does he think he is, Gaius Julius freaking Caesar?
