GOVERNMENT ANTAGONIST AND HUGUENOT

Sex allegations against (this time) Kavanaugh. Are sex and oppression the only things the Democraps have on their tiny, hateful minds? Everyone Trump tries to get appointed anywhere... from 1 up to 8 women suddenly step forward screaming and crying, "he groped me!" And this is supposedly a high school happening?

My god, everyone is groping everyone else in high school. Why do you think there are so many unwed teen mothers? Do you suppose that if someone groped Feinstein she wouldn't be such a crotchety old maid? "A?"

Think about it... these Democraps are the people who helped give life to the porn industry ("freedom of speech") and protect it. The Democrap party has become SPECTRE, right out of James Bond. Schumer, Pelosi, Feinstein, Obama, the Clintons... all "Special Executives for County-Intelligence, Terrorism, Revenge and Extortion! SPECTER! And this so-called professor, one of their agents doing their evil bidding

My god, talk about sex crimes, has everyone forgotten Willie Billie and Al the Gore, rapist deluxe?! Talk about world class sex criminals. Do you suppose that's what is wrong with Hillary Bill is giving it away everywhere except in Hillary's own boudoir!

Personally, years ago this old Reb got groped in a crowd at a jazz club in K.C. I'm more inclined to brag about it. She was

good looking! She disappeared in the crowd, never to be seen again. My wife saw her do it!

Time for this old Reb to ride! On our way home, except we're taking cover in a stinking wash-out. Someone is shooting at us! Charlie Swan, one of our crew, is lying dead in the open with a bullet through his head, a wife and child.

Kavanaugh is accused of sexual assault in high school 36 years ago—there are directly contradicting statements from others who were there, and the statute of limitations has expired. She shows up during the final states of Kavanaugh's confirmation to the Supreme Court, suddenly demanding an FBI investigation and she is "to be believed."

MEANWHILE

Democratic National Committee Chair Keith Ellison has been accused of physical and emotional abuse by Karan Monahan. Despite the fact that she has court admissible evidence—medical records, a 911 call, and witness corroboration as recent as 2017, she is attacked, vilified, berated, disavowed and disbelieved.

BEWARE OF THOSE WHO WOULD SLANDER OTHERS FOR SELF GAIN

Big Bob's horse is shot dead and we are in a crossfire. Mr. Harris is caught out in the wagon. I figure someone followed us from Abilene to get our money from the sale of our herd. Problem is, it's all in a bank draft and we only have a small amount of actual cash.

Crap! That one was close!

"Mr. Harris, hang

tight! We'll get to you some how."

"It's alright, Captain," he said! "I've got all the food!!"

"See you when it gets dark, Mr. Harris!"

"Aye, I'll be here, Captain. Don't be too long!"

See you on the bridge!

P.S. Need to ask Markwayne Mullin why Feinstein isn't under arrest for treason and espionage!

P.S.P.S. Anyone out there have any confidence in our legislature, federal, state or otherwise? I don't!

Why isn't Mueller gone? Why isn't Jeff Sessions gone?
