

# The Rebel Speaks

## GOVERNMENT ANTAGONIST AND HUGUENOT

The queen is dead! I thought that old crone would never croak! That's right, this old Nordic-Scott has no love lost for anyone who claims to rule. Her relatives sent my relatives into slavery here in the colonies long ago. So... up hers and up Bonnie Wee Charlie's also!

Now the Brits have their own incompetent Biden! Guess what? They both have a camel! Bite-me has Kamala, Charlie has Camile! And guess what? They are both unimaginative twits! Neither Uncle Joe or Bonnie Wee Charlie can tie their own shoe laces or brush their teeth without help.

These are supposed to be leaders?! Instead, what we get are total fools! This old Reb kneels for no one, especially these two imbeciles. A monarch is nothing more than some one sitting on top of all the plunder their ancestors pillaged and burned for, over the murdered that they left behind, from which the plunder was stolen!

This country exists today because those free men and women who wished to see an end to monarchs shed their blood and gave up their lives for you, so you would never again be under the boot of tyranny!!!

But here we are, again fighting tyranny of the democrap party. They think they are America's royalty, held up and revered by the bought and giddy media!

As far as this old Rebel is concerned, there is only one king (and it's not Bonnie Wee Charlie or Uncle Joe!!!!!! I confess, this old Reb has some religion. Where do you think humility comes from?

Time for this old Reb to ride!

"Scouts coming in, Cap!"

"We've got real trouble, Captain! Comanches are stampeding a herd of buffalo towards us! They will hit the herd head on!"

"Corporal, start the herd moving east! There's a south wind blowing! We'll set the sage on fire between us! There won't be

a blade of grass left, but that should stop and turn the buffalo. If not, they will kill and scatter the herd along with us!"

"Captain, if we head east on the spur, we might make it."

"Set the fires, corporal! And say a prayer!!

See you on the bridge!

P.S The demo-commies are heading for an indictment of Donald Trump. You could call it their "October surprise!" What ever they do, you can bet it's illegal.

Bonnie Wee Charlie & Joe the Fool

Why don't they raid Schumeroid's house or Nancy PP, or even Hillary? The reason is that the judicial branch is no longer working for the people! I am so outraged by all of this that I could spit nails! I just want to reiterate that we live in a democratic republic, NOT a democracy. In a Greek democracy, only the middle class and above have the right to vote, and the demo-commies mission is (and always is) to eliminate the middle class altogether.

Question!

Who changes Joe the Fool's diapers? Who changes Bonnie Wee Charlie's depends??!

They have got to be the highest paid out-house attendants in the world!

P.S.P.S. Martha's Vineyard, where democrap prove, without a doubt, that we can deport illegals without a problem. Texas, Arizona and more are dealing with being completely overrun by illegal aliens. Apparently they wanted to share their pain, so they sent them to Martha's Vineyard. Well, howdy doody! They called up the National Guard and had them all deported. And they could do it because it was only 50 people. Extreme peanuts compared to the MILLIONS of people pouring over our wide open borders. It is estimated that 5 MILLION illegals from all over the freaking world have come into this country.

We are being invaded. How likely is it that there is massive destruction from these nefarious criminals? Riots? Organized destruction on a mass scale? Buckle up, patriots.
