

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

My God! It's here! The gooberment lackeys of Obama have been sent out to run polls asking the population if they would be in favor of a military take over of our government!

Of course, they ask the question in two different ways, basically meaning the same thing. Well, this old Reb has an answer for both questions.

"Hell No! And Hell No again!"

This old Reb will pull the trigger myself at anyone who tries!

This is America, not Cuba, not Islam, not Russia! This is the land of the free and death by revolutionary bullets is a hazard any wanna-be dictator should be afraid of!

My philosophy toward usurpers and dictators, no matter what they call themselves, is death! Kill them all!! The nerve of those S.O.B.'s to even ask such a question is monstrous in nature. Personally, I'd like to know who is asking, so he can receive my answer face to face.

How do you, who are veterans—who have fought the dictators and Islamic goat herders—feel about it? Both my sons, veterans, say "kill them all" and don't look back! I wont live under any dictator, General or otherwise! When Lennon and Stalin ruled, they called in all those who owned guns to register them. When they showed up, their guns were confiscated and they were promptly shot!

So, who out there is in favor of a military takeover, "A?" Who out there wants to be put against a wall and shot, because you want to be free? Not this Rebel. If this old Reb is shot dead, it

will be because I'm engaged in pulling the trigger in the direction of their dictating arses! That's Scottish Rebel for asses!!

Death to traitors and usurpers!!!

Time for this old Reb to ride, the enemy commeth! They shall be mine! I'm a good old Rebel, that's just what I am! For this land of Obama, I don't give a damn!

See you on the bridge!

"The right of the people to keep and bear arms shall not be infringed. A well regulated militia, composed of the body of the people, trained to arms, is the best and most natural defense of a free country."

- James Madison, *1 Annals of Congress* 434, June 8, 1789

P.S. These same so-called polls have Hillary Dillary dock running dead even with the Trumpster! How blatant does the lie have to be for the tiny of brain to believe it?! Hillary is a criminal of the highest degree. She hasn't got a snowball's chance in hell of winning against Trump! Hillary is as guilty as Charles Manson! She should be in jail right now! Along with Obama and his entire entourage. By the way, I wonder what Obama will look like in his "little-boy-general's" uniform. I'm sure he will spare no expense, since we will pay for it!!!!

P.S.P.S. The military has decided to try Bergdahl. He should be either hanged or shot dead for desertion of his post while in a war zone and/or collaboration with the enemy — or both. Anyone know the story of Eddie Slovik? Look it up! He was shot for desertion in World War II.

So, what makes this little shiite so different or the little boy-girl now in Leavenworth? Shoot him or it, too!! Shoot both dead, dead, dead and get it over with.

Time to do what's right!! Send a message, "We have had enough!"
