

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Clay Looney. Liar! Liar! Liar! Pants on Fire. He sat there on his little socialist throne and, with a straight face, lied about Trump, saying Trump has refused a smooth transition of power fi he is not elected.

So, Clay, have you received your thirty pieces of silver yet? The Almighty hates a liar! Most of us have either seen or heard Trump and what he actually said! There is a war brewing in the pot and when it breaks out (not if but when)... if I were you, and thank the lord I'm not, I'd find myself another country to go to. You might as well get started now. It's the early bird that gets the worm! When you sold your soul to the socialists and Marxists, you shot the rest of us in the back! How does it feel to be a back shooter, "A?" You are a real Judas and I would be more than happy to give you enough rope to hang yourself with. I hope you don't go to church... because you curse any chapel you might tread into.

I call upon my readers to spread the word to boycott all four of the Tulsa stations! Two, six, eight, eleven and twenty-three. These people are not longer journalists, but "journalists" (propagandists)! I suggest Cuba, Clay. Maybe Raul could use your talents!

Curs et vous!!! Vous parle poison!! God's curse upon the heads of all traitors. And, if you served in our armed forces, that makes it even worse, Benedict Looney!!

Time for this old Reb to ride.

"Hey, Captain! It's Little Bob coming in hard and fast."

"Little Bob, what's the hurry?"

"You gotta come quick, Cap. Big Bob and Helga were in town.

Someone robbed the bank; there was a shooting and Helga was hit. She's in a bad way and Little Bob is going nuts!"

"Mr. Harris send for the corporal and get our horses!"

"Aye, Captain!"

"How many were there, Little Bob?"

"There were six of them. One was shot dead and we think another was wounded, but got away with the rest!"

"Rhea, the Petersons are going to need your help! Mr. Harris, send a couple of riders with Rhea."

"Aye, Cap! As good as done! I'll collect our guns!"

"What about the rangers, Little Bob?"

"They are hunting rustlers up north, Cap."

"We'll make due, then!"

See you on the bridge!

P.S. Have you noticed that we are getting absolutely no news about California, Oregon or Washington state? Nothing but coverup from our socialist stations... and that also includes channel eleven.

If you knew what was really going on, the Marxists and socialists would be on the run, like the outlaws they are! And, notice no more noon news... except for twenty-three and eight, and that is at eleven instead of twelve noon!

They have also been eliminating all the programs that are not socialist.

P.S.P.S. Debate? How do you debate a loser?

Reporter: ... "Will you commit, today, to a peaceful transfer of power after the election? ..."

President Trump: "We'll have to see what happens.... the [mail in] ballots are a disaster."

Reporter: "I know that... Do you commit to making sure that there's a peaceful..."

President Trump: "Get rid of the [mail in] ballots and you'll have a smooth transfer of power or there won't be a transfer, frankly, there will be a continuation. The [mail in] ballots are out of control." *(a fact acknowledged by the reporter!)*

Seattle rioters demand white people give up their homes and try and force innocent bystanders give the black power solute.

Portland rioters demand our "unconditional surrender." The riots are not about voting!
