

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Bloody Joe Bite-me stands before the United Nations and shows the entire world his immorality, incompetence and moronacy. What an imbecile! Our border is wide open. Afghanistan is totally left behind. Foreigners are being dumped all over the red states., unvetted and some carrying god only knows what kinds of sickness into our country... not to mention, all of the Al Qaida, ISIS and Taliban crossing the border with all the thousands who have already done so.

The Kamel raises her head again and spouts off, as if she knew what she was talking about. A little advice to the so-called vice president and drug czar: the border is southwest of the Potomac, but she neve goes anywhere close to the border. So, what the hell?

These people are nothing more than "gilded sinners" and they are dragging us all into a hell beyond belief. I was born in the South. Lived here all of my life. We, in the South, lost our country once. I'll be damned and go to hell if I am going to stand by and lose another!!!

Time for this old Reb to ride!

BOOOM!!!

"What the hell? Who fired that shot?"

"Someone was in the supply wagon, snooping, Cap! I got up to see and 'whoever' took a shot at me!"

"Are you hit, Corporal?"

"No, just pissed."

"See if the money pouch is there, Mr. Harris!

"No, Captain, it's gone, along with some bacon and coffee!"

"Tell Big Bob to come in from the herd! Where's that Colby boy? Tell him to saddle up."

"Who's shooting? The herd almost took off, Captain!"

"Well, Bob, a couple of boys took a shot at the Corporal and took off with the army payroll!! Take this big rifle, this boy and extra horses. The boy will ride with the extra horses... Run 'em down and don't take chances. You know what to do when you get in range. Bring back the money and their horses and rigs!"

"OK, Captain!"

"And you, boy... you do what Big Bob tells you to do. Now, get kickin' - you should catch up by mid morning. Let's get saddled and get on the herd!!"

"Mr. Harris, you and the Corporal stay and watch these deserters."

"Aye, Captain! They are going nowhere!"

See you on the bridge!

P.S. F' You, Bite me! The Maricopa county results are out! Everyone needs to know!! Shout it out, cry foul and unleash the dogs of impeachment... and if we have to... war

I say, let the government shut down!! They aren't governing anyway! "A?"

Now, the new governor of New York thinks she is a messenger sent by the Almighty.

Beware of charlatans. Beware of false prophets. The end.
