

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

So, Trump has gone ahead to lead with the devil's concubine. I'm sorry! I tried to watch the debate, but could not bare to look upon the face of Hell's worst, spat back upon the earth as she opened her mouth and spouted vomit upon the stage. Lie after lie, compounded by more lies! I truly believe hell sent us the Ice Queen because Beelzebub had to buy a fur coat!

Trump is slowly gaining ground and the more people who actually look into her eyes will, if they have any where-with-all, see the evil she projects. It oozes like slime from her mouth. If Hillary-Dillary-Dock gets elected, then say goodbye to our country, all our rights and hello to fascist authority and the destruction of our Constitution and Bill of Rights. Criminals like her will proliferated and gang =land law will prevail. And that is exactly what she and Obama want, so they can send foreign troops into our streets, under the guise of the U.N. and the Department of Homeland Security.

What do you think the tax-dodger and preacher of kill white people is doing here? It's to exalt criminals and to destroy the rule of law. Like Hillary, he to should be in jail.

What do you suppose would happen to you, if you refused to pay your taxes? "A?" Or send your children into Benghazi to be left behind to die? We must jail them and try them and deal with their treasonous actions against our country!

Domestic terrorism is conducted on a daily basis by Obama and his minions. The destruction of our constitu-

tion and the desecration of our flag is nothing short of terrorism on the American public... Hillary wants to continue to terrorize us while she and Billary fill their pockets at our expense.

Stand your ground and brow beat down any Democrap who gets in your face. Send them packing!

Time for this Reb to ride. I had to ask Big Bob why he and his brother were both named Bob.

He replied, "Ma had a sense of humor. She wanted to name both of us after her father and ours. So, I'm Robert

"The time is near at hand which must determine whether Americans are to be free men or slaves."

George Washington

Carl and his is Carl Robert. I guess she decided all she had to do was to yell, 'Bob,' and someone would come running!" See what happens when you ask a silly question? Sent our scout ahead to

tell those waiting, were' comin' in, in the morning!

See you on the bridge!

P.S. This shooting of Mr. Crutcher was brought on by his own stupidity, along with the ignorant idiot who took up a shooting stance in front of police in San Diego. Is the whole black community on a stupid pill? My god, even the criminal Al Sharpton, who preaches kill whites to his congregation, is putting his criminal two cents of owed back taxes in. What was it, four million and he is running loose to do more destruction. Haven't you had enough?

P.S.P.S. Just a few weeks left to save our country or see it fall into civil war. Which, if she is elected, I vow to participate in until I see her and the rest hanged! Prepare yourselves,. Our day is nearly at hand.
