

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Joe Blow Biden commits treason as Vice President and tells the Ukrainians to either fire the investigator looking into his son and his mobster partner (who happens to be the son of White Bulger) or no billion dollar deal. Then Nancy P.P. tries to tell everyone that Trump is crooked!

Isn't that the kettle calling the pot black? Enough! It's way past time to yank her and the rest of their treasonous Democrap friends out of Congress and hang the whole bunch! They spend our money like it's theirs, on frivolous crap and do nothing about our nation's business.

Joe is nothing but a puppet. He is never in control of his mouth... and now we have it in his own voice, spilling the beans in his own lap.

I wonder... when is the real Democrap candydate is going to step up?

Treason! Treason! Treason! Democrap treason! Personally, I would be in favor of trying them, finding them guilty, then hanging them just to make sure, shooting them, then sending the bodies to the Commie country of our choice.

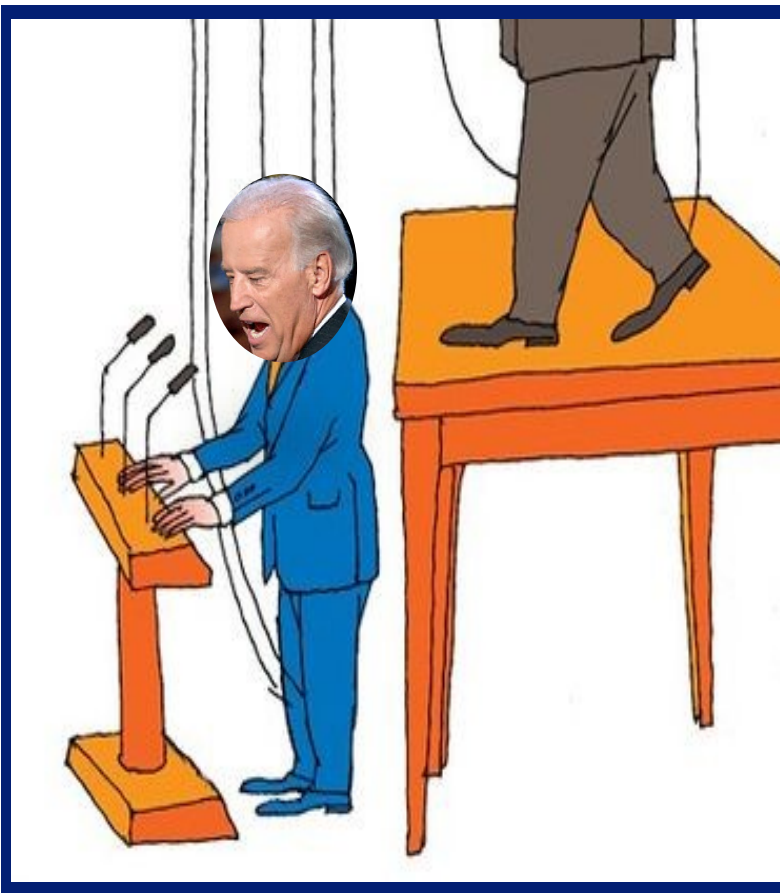

We need to remove Schumeroid from America's butt. I am so tired of criminals like these running our country into the swamp of socialist failure.

Call your Congressional Representatives and Senators and

remind them exactly who they work for! Tell them to get off their cowardly arses and stop this!

Let's investigate the entire Democrap criminal party.

Time for this old Reb to ride!

"Well, Corporal, I can't wait to be home."

"Me, too, Captain! Mr. Harris is getting tired of that old wagon seat."

"I'm glad the whole crew is going back together. It's safer... for all this way, we've only seen a few Indians and there haven't been any major problems on this drive."

"Aye, Captain!" It's been a good and profitable drive. I wonder what's been going on at home."

"I'm sure it's been the same old unexciting day after day thing, Corporal! We'll be home in a couple of days! Besides, I'm horny!"

"I know what you mean, Captain."

See you on the bridge!

P.S. Crazy Bernie. What a moron! His constituents (dumb-founded imbeciles) want to inflict Communist ideals on all of the rich. Isn't he rich? Do you suppose he will take his own money or will he and "Pokohauntas" fight over it all?

P.S.P.S. This old Reb has to apologize for slacking off. I've been a little under the old age weather.
