

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

My god! Snake in the corn bin! Was I right, or what? Coburn shoots his constituents in the *other* foot and voted to uphold funding for Obamacare with the Democrats. I'm sure he has plans of returning back to Oklahoma. Lord knows why! What a back-shooting, narcissistic Olympian. What was the saying? What does it profit a man to gain the whole world and lose his soul? I do believe Mr. Coburn sold his very cheaply. You know, doc, when you're on your knees to Beelzebub, can you smell the brimstone?

I'm curious—what do you think you are going to get from Obama in exchange for selling out the Republican voters who put you in office (totally by mistake, I'm sure)!

This man is no patriot! He is nothing more than a conman, like the rest of his kind—"professional politicians." Isn't he the one that said he was only going to serve one term and then go home? I'm so tired of these spineless wonders.

Anybody remember a man by the name of Nathan Hale? A patriot who gave the ultimate price to give us the ultimate gift! Freedom! We need brave souls who will withstand the volley and prevail, not snot-nosed, sniveling quaking cowards like Coburn who rabbit at the first shot. As a hunter, I have had a couple of instances when some dumb cluck moron thought it was funny to fire off a round in my direction! I've been known to reciprocate and advance to do it again. Why, you say? Because it pisses me off!!! Coburn, by cowering, puts me in a position where I have to take up his place on the line as well as my own!

I want my country back! I want my Constitution back! I want my flag respected! And... I want my money back! And you,

"Doctor Rabbit," are standing in my way! If I were you, I'd be too embarrassed to show my face to the people who trusted this office of service to you. I saw you on the so-called news, looking smug as usual. You know, a fool who persists in his folly will become wise. Unfortunately for us, I'm afraid he will never figure it out. Foolish is dangerous! But a foolish coward will be the end of us all!

Time for this Reb to ride Men are dying by the thousands today, because of a fools folly! Spotsylvania is not one of my best choices of places to die! Here at the "Bloody Angle"

See you on the bridge!

P.S. Cathy Taylor and the Air Transport Workers Union workers! Aren't these the same people who stuck Tulsans with the bill for the Great Plains debacle? If you listen to them then you're a daisy alright! And I'll bet you believe

Huckleberry Finn was a real boy!

P.S.P.S. So, what is this I hear about some Judge convicting Obama in abstensia and sentencing him to ten years for treason? "Oh," if it was only true! Anybody out there know anything about it, post it back to the Old Reb. Why, I'll volunteer to serve the warrant.

By the way, Coburn, it is spelled R-E-P-U-B-L-I-C-A-N, that's Republican not Democrat!!! Doc!!!

Nathan Hale

June 6, 1755—
September 22, 1776

Nathan Hale was born in Connecticut. He became an officer of the Continental Army, joining the cause in 1775, during the American Revolution.

In September of 1776 Hale was recruited by General George Washington to act as a spy against the British, who were working to take New York.

At that time spies were hanged as illegal combatants and Nathan Hale was captured by the British and promptly hanged.

His last immortal words:
"I only regret that I have but one life to loose for my country."

He was just 21 years old.
