

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Kavanaugh is confirmed and the Democraps are coming unglued. Do you suppose Ford can find her way home, considering she can't remember anything else? I'm sure Feinstein the Commie Red is standing over her cauldron trying to figure out where her evil spell went wrong! She must have forgotten the "eye of newt" and maybe the hair of the dog bit her.

Charlie Schumer is already planning his next treason!

Nancy P.P. is looking for the pool boy, while Maxine Waters is writing a bill to paint the White House black.

Anyone see Feinstein circling the Capital rotunda on a broomstick with a bunch of flying monkeys?

What we are seeing is an all-out attempt at a coup on our government by the left, who want nothing else but to rule!

This old Reb refuses to be ruled by anyone, or anything! Well, maybe Melania could rule me if she wants... or Ivanka, or Sandra Bullock. But that is where I draw the line.

Right now my wife holds that privilege. As a peasant, though, I pretty much do as I like.

Time for this old Reb to ride!

We're pinned down in this stinking ditch. "Little Bob, Do you see anything?"

"Yea, I see a couple of them riding away real fast! I can't believe my ears! Do you hear that laugh?"

"I know that voice. It's Man-That-Laugh! Don't shoot; he's a

friend. Ah, it is good to see you my friend!"

"Good to see you as well," he replies. "We hear shooting and watch! I see you and tell my braves we get scalps today! We kill three; others leave fast! They not go far! Comanche war party in direction they go! More Comanche south. They hear! Be here soon. Must go now. See you again, Captain."

The witches of D.C., Hillary, Nancy and Dianne

"Mr. Harris, you can come out of the wagon now." We wrapped Swan's body and put him in the wagon for a more convenient place of burial. Big Bob is going to ride his horse. I hope we can get to the Cherokee lands and outrun those Comanches. It's a long way home yet!

Damn, I hate to say it, but I love that Osage! Once again, I listen as his laugh fades in the distance.

See you on the bridge!

P.S. Nikky Hailey resigned as U.N. ambassador. That's

too bad! She was tough and we need more tough women to stand up against the Nancy P.P.'s and the Feinstein witch of the west! That crone even looks the part. I bet she never has to put on a costume on Halloween! "A?" just the hat and climbs on her broom and way she goes!

P.S.P.S. By the way, anybody know what the traitor Mueller has been up to during this latest Democrap debacle? We have been looking the other way. He, I'm sure, has been a busy little bee.

What are he and the Democraps up to now? Anybody know what George Soros is up to?
