

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

"Ole Joe" goes to Florida! Proves once again that pigs can fly! How did he find Florida? He hasn't the slightest idea where the border is! Now he is threatening nuclear war! This man is a raving lunatic! If you follow a raving lunatic, then your destination is nothing short of destruction and that is what happens when a democrap sets his arse down in the Oval Office!

Hunter is back in the hot seat and dad has been declared the world's most outstanding liar, by the president of France. On top of that, he is caught on a live mic with his big dementia mouth saying no one messes with a Biden! Who does he think he is, head of La Costa Nostra? My god! Are we going to wait until missiles fly before we stop this despot?

Even the Pop has put in his two Lira's worth and commented about all the corruption. You see, I, the Rebel, am not the only one who sees all the corrupt politicians who have taken control of "we the people" for the purpose of enslaving us all! I lived through the Cuban Missile Crisis. Everyone was glued to the TV set, as if there was a tornado close by, wanting to know when to run! Problem is, there is nowhere you can run fast enough. Don't believe me? Ask a survivor of Nagasaki! "A?"

The world was terrified. The only difference here is the sick lunatic is in D.C., not Cuba or the Kremlin. Our lunatic and his minions are doing this to cover their anti-constitutional, illegal usurpation of our country. Bite-me is dragging our allies into it, kicking and screaming.

Just remember, it's not the alpha particles that kill you... it's the beta! Saw an interesting movie once called "The Hellstrom

Chronicle." The only survivors were the bugs!

Time for this Reb to ride!

Boom! Boom! Boom!

"They are on three sides of us, Captain! What do you want to do?"

Boom! Boom!

"Anyone hurt, Corporal?"

"Two wounded, but they can still fight!"

Boom!

"Put them on the wagons! We're going to break out of here! They can shoot to the rear! We are going to drive the herd over the ones to the northeast and keep going!"

Boom! Boom! Boom!!

"Give that old Rebel yell, Corporal, and let's get the hell out of here! Ready?"

"Let's do it, Captain!"

"Keep firing!"

"Yee haw!"

Boom! Boom!

See you on the bridge!

P.S. I can hear it now, "Governor Joy!" Need I say more? If you let her in the Oklahoma Governor's office, you can say goodbye to our red state!!! Between her and Debora Gist, they have turned our kid's brains into socialist goo! This has to stop. Joy needs to go!

P.S.P.S. It's time we turned and showed them our faces. But con-found their fight for violence. Be still. Be calm. Be resolved. Stand up, America. Buckle up, patriots!
