

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

The Camel hires child actors to make her first comedy of errors show! Not to mention, the company in Canada that made it is called... "The Sinking Ship!" I'm surprised Bugs Bunny wasn't her stand in! At the very least, the Beave & Wally. They aren't doing much these days. What a three ring circus!

As the slaughter goes on in Afghanistan... you know, murder, hostages, rape, those mundane every day things that our media is trying to do (what they always do), and that is cover up by going silent and changing the subject!

By the way, lets get back to the borders! "A?" It's now ok to fly into the good old U.S. of A if you can prove you are vaccinated. "OK!" How about all of these undocumented, unvetted, unvaccinated and illegal people coming across our southern borders? And bussing them all over the red states?

Not to mention government workers, along with our Congress, Postal Union workers and more who are exempt, along with the workers of a dozen big unions! What about the rest of us, with a dictator's gun to our head, in the form of illegal mandates? They want to cut us from goods and services if we don't carry our papers with us! Excuse me, but this is the signature of all usurpers! I.E. Stalin, Castro, Chaves, Xi and various so-called kings, queens, emperors, etc. throughout history.

This is why we gave King George the big finger of fate!

Time for this old Reb to ride!

"Captain, the Bar-T Vaquero is back with an army patrol!"

"Well, let's meet that Yankee! Your name Lieutenant?"

"Lieutenant Bradley Sacks, sir!"

"We are holding a couple of deserters for you, Lieutenant?"

"Cap! I see Big Bob and the Colby boy coming!"

"Thank you, Mr. Harris! These deserters were turned over to us by a Comanche hunting party, hoping for a gesture of peace,

since they want no conflict with the army! Just to hunt! Good to see you Big Bob!"

"Thanks, Captain! This boy did good! Mr. Colby, he does you proud. Here is the army's money!"

"This is Big Bob, Lieutenant Sacks!"

"The Army thanks you Bob!"

You cannot truly call yourself "peaceful" unless you are capable of violence. If you're not capable of violence, then you are not "peaceful" ... You're "harmless."

"Well, I know a few of us boys from Alabama that would be inclined to keep it, Lieutenant! But, you're welcome boy!"

"Well, Captain, the army will take it's property and prisoners and bid you farewell and thanks!"

See you on the bridge!

P.S. Southwest, Amtrak, all the unions are giving in to their workers, who say F_ U_ Biden!!!! Even the B.L.M. is saying, "hell no" because their constituents don't trust the government.

And I'll bet he union walkouts have absolutely nothing to do with pay negotiations, as the media says it is. "A?"

What does this old Reb now about unions? My father had, at one time been the president of the local 584 electricians union in Tulsa, and I as well had been a card carrying member. Not to mention, I had also been a member of the local 94 musicians union in Tulsa. I rest my case!! How do you like having a political gun held to your head??

P.S.P.S. The Camel is going to Nevada to talk about the Colorado river being low. Like she knows anything about it! The reason for the Colorado River going low is that California is sucking more water from it that the other states that it serves, combined! And that has been going on for a long time. There was talk about cutting some of the flow to "Commiefornia" nearly thirty years back.

P.S.P.S.P.S. Viva January 6th!! This is the Old Reb's birthday. Long may it wave!!! Make me proud! Do it again!!!
