

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, the elections are picking up speed. Just remember what the Democrats have done for us—nothing! They have aligned themselves with a man who is currently engages in destroying our country. Our current governor, Mary Fallin, has stood up to these charlatans and that is the only reason we have one of the best state economies in the U. S.!

Remember David Hall? What a dud! If you elect this Joe “Dorman”, he will do as the Democrat hierarchy tells him to, so they can stop all our efforts to grow Oklahoma’s economy! They want a state of unemployed and more couch potatoes than one can ever keep track of.

They have left us all in this country out to dry. Wide open borders, disease of a Bubonic plague caliber, people that want mass beheadings of all Americans, not to mention... a so-called leader who takes no responsibility whatsoever for anything except for being America’s most pampered couch potato! On us! And, if this guy, Joe Dorman, gets elected as governor, we will cook on the spit of socialism for sure! For sure!

Not to mention Muslim spooks showing up to tell the beheaded woman’s friends and family what a peaceful religion Islam is. No more Democrats! And the Islamic wackos can just get the hell out! Their lies are only for the ears of the stupid, of which they take every American for... “stupid!” And, you know what? The pagans are being very successful. You know what they say, “Oh, ye of tiny minds.” They are only stalling until their friends and neighbors, who are ISIS, Al Qaida, Taliban, Hasbula... get the chance to start murdering here, in our own country, in masses. It’s time for us to do a little persecution ourselves.

So, in closing... don’t do business with them. Shut them out and whatever you do, don’t put another of the problem into our governors office. Marry Fallin is our best bet. Another of

Obama’s henchmen in that office, then you can kiss Oklahoma goodbye... Hello, Stalinism!

Time for the Reb to ride. We left Atlanta a couple of days ago. Lost 6,500 today. The end is near!

See you on the bridge!

P.S. The storm is close now and the whirlwind is coming to reap what Obama-pie has sewn. This usurper is about to give ID’s to nine million illegals, in case you didn’t know. That includes over one hundred thousand illegals who just happen to

“How dreadful are the curses which Mohammedanism lays on its votaries! The fact that in Mohammedan law every woman must belong to some man as his absolute property – either as a child, a wife, or a concubine – must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men. Thousands become the brave and loyal soldiers of the faith: all know how to die but the influence of the religion paralyses the social development of those who follow it... a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome.”

— Winston S. Churchill, *The River War*

be criminals from almost every South American country you can think of. But then, since our Fuehrer is a criminal, well... birds of a feather flock together. So, I say to so-called law enforcement, “What the hay?” Why don’t you arrest these treasonous liewyers? Or is it easier to pray upon the masses of ignorant dweebs? Or, you just don’t have the balls to stand up against tyranny.

By the way, the old Reb is still a better shot!!! And you swore a blood oath to us, the American people! Not to corrupt politicians like the rapist of hotel matrons, Al Gore, or the corrupt murderess, Hillary Dillary Dock and her rapist hubby, Willie. After all, they are only flesh and blood.

Remember, *I’m here to make you mad...* and to use your common sense, I if you have any!

P.S.P.S. Time for action, not talk. Time for talk was over after Obama was first elected!! Are you a patriot??! “Oh, well, what does it matter” anyway? By the way, why the hell is that so-called holy man that influenced that moron who beheaded the woman in Moore, Oklahoma still standing. And why has their pagan temple not been burned to the ground?
