

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Elizabeth Warren is about as much Native American as this old Reb is Yankee. Those of us who have been born in Oklahoma probably have relatives from one tribe or another. After all, there are 38 tribes that call Oklahoma home.

Chances are you probably know many. This washichu is as white as the cliffs of Dover. If I'm not mistaken, you must be at least 1/16 to even claim your first eagle feather.

The best "Lizz" can do is a tail feather from an extinct dodo bird.

This old Viking apologizes to all Native Americans for this insane woman's far reaching attempts to get herself re-elected. It has been said that this old Reb is related to Quanah Parker, but that fact does not make me a Comanche! I do have a niece who is possibly part Native American by her father... but, like I said, that doesn't make anyone else Native American.

Maybe "Lizz" is part Russian and the Cossack is showing through, "A?" That is much more likely! Remember Hillary and her fake southern accent? That didn't make her a South-

erner! "Oh, my god!" Don't tell me they are Nordics, please, God, not that! Next thing "Lizz" and Hillary will be claiming they are shield maidens related to Eric the Red!

Time for this old Reb to ride. Well, we made it back to Texas, leaving a few behind. We have decided to do it again next

year. Mr. Harris just handed me a couple of lead bullets he found in the flour barrel. They stopped short of coming through to his English behind. Souvenirs for his grandchildren...

We stopped at the Swans to bring Swans gear and horse home. We gave his wife his wages and a little for her loss. She says she is going to Austin to stay with her sister.

Good to be back!

See you on the bridge!

P.S. A vote for Drew Edmondson is the same as a vote for Obama-pie and Hillary-Dillary-Doc... and they will turn back the clock.

P.S.P.S. The Saudis are and always will be magnificent liars and thieves. They murdered Khashoggi just as

sure as the sun fries the desert they live in!

Elizabeth Warren

White Woman

American Law Schools directory lists Warren as Native American minority in the 80's and 90's

Harvard Law announces Warren as the "first woman of color" (Native American) in their faculty

Warren identifies herself as a minority at Harvard & University of Pennsylvania, obtains her position, and the schools, in turn, use that information for federal reporting purposes and bolster their diversity hiring records

Warren claims that her parents had to elope because of her mother's Native American ancestry. A number of marriage announcements in local papers suggest they surely did not elope.

By claiming Native American ancestry, Warren obtained her job at Harvard... making nearly \$430,000
