

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

The Russians are coming! The Russians are coming! My! My! The rats are running in all directions! Anyone know a Pied Piper? Hillary and Billary taking bribes and selling our uranium to the Ruskiens.

Now, where does a Secretary of State get that power? It could only happen with the help of Obama-Pie! "A?" Also I don't believe Congress gave that power to El Presidente'. I do believe that kind of a deal has to be approved by Congress and ratified by the Senate. I mean, twenty percent of our uranium sold to our enemy.

Great Caesar's Ghost!

You don't suppose this has anything to do with screwing the Russians out of Alaska? Probably not. But it has everything to do with Hillary's treason and her corrupt foundation. Does "guilty as hell" come to mind? She and her evil minions have been selling

out the American people for a long time. She has killed for her greed (Benghazi).

One way or another she will come to a bad end. The problem is, she may drag all of us down with her. So, what do you think is worse... going to hell with Hillary-dillary-dock or getting fried by the boy god of the Orient?

Time for this old Reb to ride. Some Yankee cavalry rode in and are watering their horses. The two Bobs ran into an old friend who served with them and they asked him why the blue uniform. He replied, "I was hungry!"

I looked at him and asked, "You didn't get enough in the war?" Their captain said that they had heard that there were Kiowas in the area. I replied, "Comanches, too. I don't think you brought enough men."

He replied that it was a crack unit and could overcome all odds and then asked where we could find the Kiowas.

I said, "You're in Texas, they're everywhere! I don't think you'll have a problem finding them."

Mr. Harris said, "I don't think we will see them again!"

"I think you're right, Mr. Harris; I think you're right! They are all dead and don't know it yet!

See you on the bridge!

P.S. This thing about Bergdahl getting a fair trial under

Trump. I'm sorry, but Eddie Slovik was shot while serving under a Democrap!!! We need to make an example, so the rest of the cowards and traitors in our military will straighten up and fly right, instead of coddling them and paying for their perverted sex change operations!!! As for little Heather, well... put it in lock up with a bunch of female marines!!!!

P.S.P.S. As far as this twit black woman in the red cowboy hat. Just more Democrap! Florida is full of twits! Like the politician from Tennessee, Corker. What a traitor to all Southerners. He says he is a Republican. What a liar.

**Eddie Slovik was
Shot for desertion.**

**He was shot for
forsaking his duty.**

**Why is Bergdahl
even still alive?**

**What's the trial
waiting for?**

**Why did we grant
a sex change to a treasonous turncoat?**
