

The Rebel Speaks

GOVERNMENT ANTAGONIST AND
HUGUENOT

Say your prayers ladies and gentlemen! Our day of doom, Armageddon of our nation, is at hand. Will we allow criminals to run our country or will we see them sent packing? Just days to go! Will it be Bonnie and Clyde in the White House or will it be the Trump.

Personally, I'm going for the Trumpster! He is the solution. Hillary is complete disaster, and will bring our country, as we know it, down! When we wake up on Wednesday the world will most certainly be a different place. Will it be a place of riots and chaos? Or will it be rebuilt and our Constitution restored. All this

Reb has to say is, I personally will not stand for Hillary being in the Oval office, instead of the Oval jail cell. I promise

to stand my ground and revolution will be my cause.

You must vote! You must send a message to all of Congress—they are all in jeopardy. Illegal governments will fall and are dealt with and so will this one. All the lies and corruption must be ended, even if it means a shooting war. If Hillary is elected, this Old Reb and others like me will be hunted to silence our voices of freedom. If we do not win, say goodbye to your freedom and say hello to George Soros, Obama and the Ice Queen.

Time for this old Reb to ride. Came upon a strange thing the other day while riding heard with the two Bobs... sitting under a tree was what looked like a ragged beggar. No horse, no nothing. Just sitting there as if to be waiting for a coach. "A good day to you sir," I said.

"And a bonnie day to you sir," he replied! "Who might you

be?" I inquired. "I be Sargent Clayton Harris, formerly of the King's lancers." he said! So I asked what brought you here? He replied as to how he had to shoot his officer, who was about to attack a huge contingency of Thuge's, "with only a few of us stating that the King's men could conquer any foe. Then, after retreating and saving our company from annihilation, I found myself in need of new sights, so here I sit. A few of your native Americans stopped by and stared, then laughed as they rode away."

The Bobs and I started looking around, as they might be

Kiowa. "Would you like to be our guest for a while and lets get out of here." He climbed aboard my horse, "It is most assuredly a pleasure sir," he

said, and we hurriedly headed back home with our new find!

See you on the bridge!

P.S. The Clinton Foundation is one of the most corrupt schemes in existence. Al Capone only wished he had such a magnificent money machine. They are guilty, guilty, guilty! If you vote for them, then you truly are small of mind and really are the little people Hillary and Obama think you are!

P.S.P.S. To those who say they are not going to vote, I say, then get out! Because you are a freeloader and as a non-participant, you don't deserve to share with the rest of us. You are part of the problem. To take and not to give back is thievery! And that is just as criminal as what Hillary is doing!!
