

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Sorry I've been gone off the scene for a while. But, just as I thought, smoke and mirrors—Nancy P.P. won't let the impeachment go forward because she never intended to in the first place. This is all about hiding the truth about the real criminals... and that is Joe Bite-Me and his son! Is it just a coinkidink that Whitie Bulger's son is involved? You know, usually in a business like Whitie's, that business is passed on to the son!

Those people in the Democrap party remind me of the "Hole in the Wall" gang! Shoot anyone, rob anyone, intimidate anyone and do anything to hide the truth! They haven't yet come up with a viable candydate.

Hillary is delusional thinking she could run and win. My god! They are all corrupt to the bone, along with our Republican representatives who refuse to support our lawfully elected President and take our money and aid in the destruction of our Constitution.

Treason! Treason! Treason! That's the real Democrap agenda.

Like I have said before, I'll not be ruled by any usurper of any kind... that includes anyone in the Democrap party!!!

Bernie is about to capitulate and, again, keep the money!

Mark my words, the Democrap are, in fact, already losing any momentum they ever had. Trump will trump all their cards!

Time for this old Reb to ride.

Upon getting home from the drive with practically no problems, I find my angel has dealt out a little religion to a certain

Comanche brave, and brave he was... he won't be sitting in the saddle for a while, as Rhea shot that man right in his seating arrangement!

"Thanksgiving is coming up! I can't wait, Mr. Harris!"

"Aye, Captain. A marriage, too!"

"Aye, Mr. Harris!"

See you on the bridge!

P.S. Baghdadi is kaput! Scattered all over an underground tunnel! Along with three children probably already brain-

washed to kill and murder anyone! I feel nothing for them. Just sorry I wasn't there!

P.S.P.S. I got down of my horse and stepped in some Schiffing Shiit! The perfect job for Mr. Schiff is propping up a wall in front of a firing squad! What a traitorous liar! I'll bet he believes his own democrap!!
