

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, we're going to suck it up! Nancy PP. is coming back with a vengeance. This is happening because of what I call the Stonewall Jackson syndrome.

This Reb shall elaborate. On the day of the first skirmish between the states, at the outset of the War of Secession (known to some as the Civil War), after kicking the Yankee's arses (they turned and ran back across the river to D.C.) ... Jackson, having won, failed to follow them across and finish it once and for all. And, again a couple of years later he failed to chase General Halleck across the same river on the run to D.C. All this took place at Manassas (known to Yankees as Bull-Run).

Now we are going to suffer the endless pursuit of impeaching Trump and putting us back into the stone age again! So, hang on to your hats. A fight is coming. A real civil war. A war of words, a war of the will, a war for our very republic.

That's right! It's not a democracy, it's a republic for which stands our nation, under god, indivisible, with freedom and justice for all.

Not a socialistic autocracy for which Obama, Hillary, Soros and Nancy PP stand above us all! With freedom and riches for the rich leftists! Subservience for the rest of us... you know... the Deplorables!

Nancy PP will assuredly become Speaker of the House. So

the inquisition begins!

Time for this Reb to ride. Mr. Harris and I are sitting on the porch looking at the fall sky. Of course, the two Bobs have headed you-know-where, the Petersons. The corporal is building on to his house with his new found riches.

"So, Mr. Harris, was it not a fine adventure?" He replies, "I have decided not to go to Australia; there is enough adventure here to fill a life time. Besides, the English Lord I told you about is, I would say, looking for me there."

"So, Mr. Harris, shall we do it again?"

"Once more into the breach, Captain! Once more into the breach!"

Why not?

See you on the bridge!

P.S. Thank god Edmondson got our message! At least we, as Oklahomans, will be able to hold our own for a while longer. We did let one slip through the cracks in Cherokee County.

P.S.P.S. Thanksgiving and Christmas are at hand. Occasionally, I drop the ball about this time of year. Don't dispare! Hang in there! This old Reb is ever vigilant, always watchful and doing my best to keep up the fight through the holidays.

The Democraps will probably try something really rotten while our attention is on turkey and Santa.

NOW...

WHERE ARE THOSE DEPLORABLE REPUBLICANS?
