

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

In relationship to the Austrians cleaning out their gun stores—I would like to share a little article I found in “The American Rifleman” magazine, November 2015 issue:

“In 1940, the British stood alone against Hitler’s advancing war machine. And thanks to a series of knee-jerk gun-control laws in the aftermath of World War I, a British civilian population that allowed itself to be stripped of it’s firearms by its own government suddenly found itself needing to be re-armed very quickly. Fortunately for our ally, the generous American people had enough guns to spare. This advertisement (see poster below), run by the American Committee for the Defense of British

Homes, was published in the November 1940 issue of “The American Rifleman.” Individual Americans answered the call... this poignant ad serves as a cautionary tale for any who would consider allowing themselves to be disarmed.”

Time to ride! After seeing the large track of ponies, we will be glad to put some distance between them and us!

See you on the bridge!

P.S. Need I say more? Without our guns, we are the prey!!

P.S.P.S. Ben Carson is NOT the one!!!
