

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, here we go! Israel has started in on Gaza and Bite-me sends our troops in; they have already come under fire. Meanwhile, Bite-me meets with Xi (#11) behind closed doors in a private meeting. I'll bet it is all about Joe's big pay-off! "A?"

Notice, "good Ole Joe" said and did nothing when a Chinese fighter played chicken with one of our B-52's. Back at the ranch, we are all threatened by Iranian thugs with attacks on our own soil—with the help of misguided public school and university students and others, along with their instructors. This is actually happening at places like Berkeley in Comiefornia. Well, of course Berkeley, where the entire curriculum is socialist insanity! Pro-Hamas garbage! Not to mention the anti-semitism by people who haven't a clue as to what they are doing. What next? Burning of "witches?"

And wouldn't you know it... "Ole Joe" has sent submarines to the region! If this is not war mongering, I am not the old Reb!

As far as I'm concerned, Hamas is getting what it asked for. Hazbullets (aka Hezbollah), I hope, suffer the same. Iran, I suspect, will indeed reap the whirlwind. These little moron protesters are in love with Islamic, murdering, raping, primitive, one foot in the stone age and the other up their you know whats. This "religion" of Islam is nothing but a murder and slave cult that should, itself, be eradicated from the universe, along with its supporters! Paybacks are coming.

Time for this old Reb to ride!

"The Colby boy got himself a new rifle!"

"That right, Mr. Harris?"

"He said it was a new Winchester and it's really nice! He said the pistol was great, but he thinks his new rifle will be a better investment in the future! Let's go find us a deer!"

"I'm in, Mr. Harris."

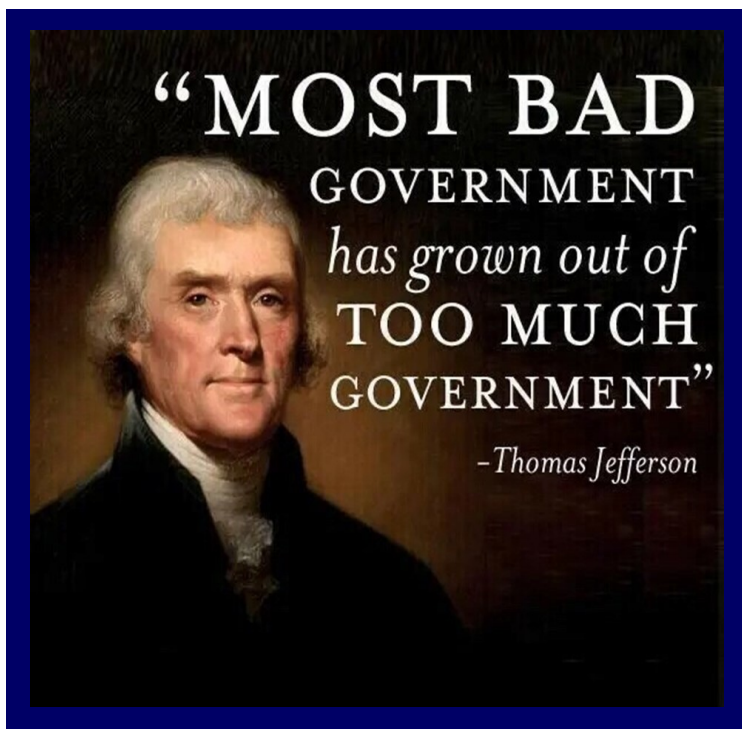

"I'm in, too! How about you, Corporal?"

"Well, why not? Little Bob said he saw a big buck north of the ranch."

"Come on, Jimmy, bring that new rifle!"

See you on the bridge!

P.S. Letitia James and her crooked little judge now show you the face of a real communist kangaroo court. In their court you may not mount a defense of your own, your attorney is gagged and you are pre-convicted. They just go through a few minor inconveniences to the court to make a good show!

We no longer have the rule of law. It is now the rule of the political traitors!!! Say goodbye to justice!!!

P.S.P.S. Speaking of justice. The DOJ has announced that Joe Biden will face no charges for having classified documents that he had absolutely ZERO power to have—he broke the LAW by having them. Clearly. In fact, he had those documents for decades in his dang garage. Not locked up, not protected, not guarded. Blatant violation of the law. So the rule of law has been subverted by traitors. Buckle up.
