

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

What a monkey trial! The problem with it is that the monkeys are presiding over the banana tree. The treasonous Schiff looks as if he snorted all the cocaine in D.C.! My god, I've never seen such traitorism, beginning with Obama Pie and the Clintons, in all my life.

This is not a government of the treasonous bastard, by the Lieyers for the conman! This is a republic, for the people, by the people, of people! That is us!

The majority spoke and elected Donald Trump, not Queen Hillary-Dillary-Dock! Just think, her and her pedophile hubby Willie-Billy murdered almost 100 Americans in Waco and have never been prosecuted.

And here we have Joe Bite-Me on camera, with his mouth wide open and his own foot up his ass, as if he was caught on video robbing a QT, blatant and in plain sight! What the hell? Case closed and the criminal gets a medal from the D.N.C!

If we let these traitors win, America will be lost! China now boasts 141 million surveillance cameras all over it's territories. Profiling everyone, identifying you even by how you walk. Putting barcodes on your door so the police can scan and tell exactly who resides inside. Everyone watched all the time. That is the goal of the D.N.C.

Welcome to Communist Socialism!!!

Time for this Reb to ride!

"Mr. Harris, building this new home is detrimental to my health."

"How so, Captain?"

"I've smacked my thumb about twenty times today with the

hammer."

"Aye, carpentry is hazardous."

"I hope my angel appreciates my swollen thumb! It really smarts!"

"Look, Captain! A rider coming fast! It's one of the Bar T boys."

"What's he saying, Mr. Harris?"

It sounds like he is yelling Comancheros! Oh, my god!"

"Where's Rhea? Where are the two Bobs"

Time to saddle up, Mr. Harris!! I'm way ahead of you, Captain!

See you on the bridge!

P.S. They say guns kill people. I differ on this. I say, "Democraps kill people!"

P.S.P.S. America's electoral college exists because this is not a democracy. This is a republic. We do not rule by simple majority, otherwise known as mob rule. Our system of electing a president ensures that

the entire nation has a more equal opportunity. If it were by simple majority, then the population of the northeast and California would determine the election and no one else would have a voice. In fact, candidates would rarely visit, since their votes don't add up to enough to win. We do not rule by the mob. The mob is fickle. And a large number in the mob have no real information as to what makes a leader, but simply follow the yellow brick road and vote for the candidate the mad media says to. The mad media is complicit in the destruction of our values and they are also pushing to eliminate the Electoral College.

Let Freedom Ring.
