## GOVERNMENT ANTAGONIST AND HUGUENOT

The Ausies and Europeans are telling the new world dis-order to go to hell! Hell! Hell!! Tens of thousands have taken to the streets because they have had enough of this covid crap and are taking control of their countries... back from the socialists! The Japanese have wiped covid out in their country using Ivermectin. And Bite-me is trying to dictate to us, "do it my way or else!"

Younger men are having vaccine problems. They are not able to reproduce, (some older men, but more so in younger men). Many people are having major heart problems, and the list goes on. My god, they would shoot us full of anything to get complete control over our lives, and so, what if they kill some of us on their way to ultimate dictatorial rule? "A?"

Poland told the new world order to F-off! I do believe old Uncle Adolph proposed the same thing... a new world order. You remember how that worked out? If we use their own critical race theory, it could be argued that all democrap are inherently born full of shiit! "A?"

They are obviously without morals or a sense of decency. To the new world order and Bite-me, the definition of a good patriot is someone with a bayonet at your throat and a machine gun pointed at your family... and does as commanded!

The Taliban are busy repatriating thousands at this very moment, thanks to Joe Bite-me and the democrap party.

Time for this old Reb to ride!

"Look, Cap,, those Cheyenne and Arapaho are leaving!"

"They sure are, Corporal, and that's why! It's Tall Elk and about sixty Kiowas! You stay here and I'll go out and talk to them. They are not wearing war paint. Tall Elk is my friend. I hope! Some of the Kiowas are splitting off in pursuit of the Cheyenne and Arapaho."

"I see them, Cap!"

"They're off to count coup!"

"Coup, Captain?"

"Mr. Harris, they get as close to their enemies as they can, to smack him with a stick and live through it... and ad an eagle feather to their collection. Sort of a deadly game of tag! Just another day on the plains, Mr. Harris!"

"Aye, Captain! Just another day of clinched cheeks in my saddle, on the plains!!

See you on the bridge!

P.S. It seems that Uncle Joe's daughter's diary has popped up and seems to tell us Old Uncle Joe wasn't just gold old daddy, but just a little bit more intimate with her than his own wife?

"My god!" The entire democrap party, from top to bottom, is full of the most diabolical perverts of our time. They rival the emperors of Rome—Caligula, Nero, etc. How much longer are we, as Americans, going to put up with their agenda

to bring us to our knees and give us up to our enemies for power and profit!??

P.S.P.S. Since our national guard troops are not being required to take the stab, Joe Bite-Me's General is placing the 45th into militia status. Thank the Almighty, something is going right with this regime!

The Camel hates Joe! Joe hates the Camel! So, nothing gets done for the country, but against it! What leadership!!!

But, finally, justice is served. Rittenhouse is found not guilty on all counts!! The Almighty was on his side! That boy should never have been tried in the first place. If I were him, I would haul that prosecutor into court for millions of dollars for character assassination!!
