

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well, Trump is having to deal with the French. They call us stupid! Let me think now, we bailed them out of World War I; we bailed them out of World War II; we bailed them out of Vietnam. These dumb socialist bastards give 60% of their income to a government that squanders their GNP... and they call us stupid!

Did I miss something somewhere? Just think, Hillary-Dillary-Dock and Willie-Billie, Chuck Schumeroid, Nancy PP, Obama Pie and George Sorass all supported the election of a now socialist President into office in Le France! All I have to say to those froggies is "je vous maudis."

The word Vichy comes to mind! Lafayette had honor; where is French honor with the burning of Joan of Arch, who they gave up to the English!

The French gave us the Statue of Liberty. They have forgotten it's meaning. Vive la liberte! It's not free!

Our Constitution, our flag, our rights are all being attacked by wanna-be aristocrats who think their money gives them more rights than we, the American people. You know, the deplorables, the peasants, the serfs!

I will not be ruled!! Vive Trump!

Down with the usurpers!

Down with the Democrap socialists—communist party!!!!

Time for this old Reb to ride.

"Captain, the Bar-T boys found Rhea's freight wagon, her driv-

er Charlie Rand shot dead, the wagon burned. Here is her pistol, empty! It looks like she put up a fight, Captain... but we could not find a trace of her. We think they took her!"

"Mr. Harris, get me that old buffalo gun!"

"Aye, Cap!"

"There will be no rest till I find her and kill all the Comanche-ros I can find. My angel waits for me!"

"Aye, Cap! We'll kill them all! We'll kill them all!"

See you on the bridge!

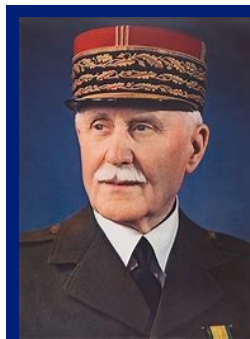

P.S. Judiciary Committee! What a laugh! More like a Commie Committee with a made up confession already drawn up... all Trump has to do is sign!

And then they would send him to a nice comfy gulag or re-education camp... just like the Chinese Commies are doing to over a million Muslims right now! "A?"

P.S.P.S. I, the old Reb, suggest that "we the people" regulate

the Bar Association (that lawyers union) as they regulate us. I also suggest a Constitutional peoples court, with it's own marshals, to try lawyers outside their own club house! The Bar Association! They fill their pockets and let their own off the hook. You and I would serve time in one of their facilities for doing what they do.

They need to be limited to how many cases they take on and a cap on their extravagant unjustified fees! There is not one single lawyer that is worth more than any plumber, electrician, etc.! Show me one! Let's make them pay like the rest of us!

At the end of World War I Philippe Pétain became the Marshall of France. However, shortly after the beginning of World War II he betrayed France and collaborated with Nazi Germany, surrendering France despite the fact that the French had a much larger army and navy than Germany at the time. He ran his regime from Vichy, France. Thus the Vichy collaborators of World War II.

Macron is a socialist, but became an "independent" to win his run for President of France. While France's churches burn, Macron says that "no religion is a problem in France today." Further, he says "French culture does not exist." So, the President of France believes that his own country's culture, history and traditions mean nothing.
