

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Hamas showing themselves in uniform and berets, as if that can change the fact that they, in reality, are nothing but murdering, lying desert pirates! They are animals that must be hunted down and destroyed! Their "religion" is nothing but hate and slavery! Anyone who hides behind women, children and old people is cowardly and not a real soldier deserving quarter!

Someone said, "this has been going on for decades." NO! It's been going on since before biblical times, when they first learned to throw rocks and sticks.

Any American who sides with this murderous cult are, in fact, scum themselves. Islam is not going to give up its desire for world dominance and the eradication of America and Israel. They are not the victims! They are, and always have been the aggressors!

The worst thing about it all is Bite-me is interfering in order to help Hamas. Wouldn't you know, that is what he always does... anything to get in the way of what is right! By the way, how do you spell monster? I S L A M! What else? What do you do with a rabid dog?

All of these terror groups are all cut from the same jackal. They teach their children, from birth, to be assassins with one objective, and that, my friends, is world Islamic domination and the death of anyone who gets in their way. It's now time to destroy them before they destroy us!!!

Time for this old Reb to ride!

"Well, Jimmy, that was an excellent shot!"

"Thanks, Captain!"

"You're welcome! Except... does your rifle fire two shots at the same time?"

"No, sir!"

"Then, boys, we're not alone out here!"

"Over there, Cap!"

"I see him, Mr. Harris! It's a kid! He dropped his rifle and ran! Bit Bob and Little Bob, you go around that way. Mr. Harris and Corporal, go around the other way!"

"there is a wagon back there, Cap!"

"Hello, in the camp! Who are you, mister?"

"I'm Trace Holly, this is my boy, Charlie! My wife, in the wagon, is pregnant. I can't walk very well since the war and my boy was trying to get us something to eat! We haven't eaten in days!"

"Boys, get their wagon hitched. We'll take them home! Big Bob, you guys get that deer loaded. Corporal, head back and tell Rhea to expect

guests!"

See you on the bridge!

P.S. Now it's blackmail. "Give us the money for Ukraine, or we will send your children!" Need I say more? Defense Secretary Lloyd Austin actually told House representatives that "We'll send your uncles, cousins and sons to fight Russia" if you don't give us money to send to Ukraine. Ukraine is a money laundering operation that throws billions into a big rat hole that accomplishes nothing.

P.S.P.S. The border is not secure. At all. The federal government's duty is to protect our borders and they are not doing it. This is a power they do not have. We are supposed to be a country of laws, but democraps don't care about the law and all so-called republicrats can do is sit in D.C. and go "blah blah blah." They talk big and do nothing, at all, to stop it. At this point, I'd say they're almost all traitors. Buckle up.
