

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Joe Bite-me goes to Arizona, says he isn't going to the border because "it's not important!" There are billions of dollars at stake! In other words, he is there to get his big pay off guarantee, the border has no monetary gain for him if it's closed... so why bother? He is busy swindling in every direction. The border is a distraction to his corrupt regime and must, at all costs, be totally ignored. Greed is his catalyst and usurpation and a slave nation his goal!

It was once said that if you studied hard enough, one day even you could become president! I hate to disappoint you millennials, but that is the same as believing in pixies! If you didn't graduate from an Ivy League high school and university, being the top of your class (upper class, that is), you haven't a snowball's chance of ever even getting close. OR, if you are a super conman like Oral Roberts, you will never get close! Don't believe me? Ask Bernie Sanders! He doesn't seem the type to have been top of his class at anything.

What the hell? The Constitution is out the window, replaced by Sodom and Gomorrah. We don't have a government of the people, by the people and for the people anymore! We have a government of thieves and liars, usurpers, sexual predators, and greedy power mongers!

I want my borders secured and the power of the Constitution and Bill of rights for "We the People" restored! I want the lawlessness by looters and so-called protestors who burn and destroy business arrested. I want peace in our country back, whatever it takes!

My god!!! The fuse is lit. I wonder how long it will burn?

Time for this old Reb to ride!

"Well, Corporal, here we are on the north range and some of our guests have already arrived! Man That Laughs, with twenty braves... Good to see you, my friend! I have a present for you! See those men coming toward us? That is the rotten brother of

the man who killed and scalped your brother."

"My god, Captain! Did you see? Those Osages took off like a shot after those wanna-be bad men, with Man That Laughs laughing all the way!"

"I'm inclined to laugh myself out of the saddle, Captain!"

"I think I'll probably laugh all the way home! Those old boys are headed toward Indian Territory."

IT IS AMAZING HOW WELL OUR COUNTRY WAS RUN BY A BUSINESSMAN AND HOW QUICKLY A CAREER POLITITIAN HAS DESTROYED IT.

"I have a feeling, Corporal, that they will never make it!"

See you on the bridge!

P.S. So, Joe Bite-me rescues a basketball player, a member of the LGBTQRSWXYZ society and left a veteran Marine behind! Par for the course! "A?" On top of that, it was a deal brokered by a Saudi prince! All of you Marine veterans and those now serving, how does it feel that the so-called Commander and Chief will probably leave you behind, too??

P.S.P.S. Armed Black Panther fascists in uniform in our streets of Tulsa!! They have come in full black shirt military uniforms, with rank and insignia. Hitler had Brown Shirts. Mussolini had Black Shirts! All terrorists and criminals! Need I say more? All we need now are marching Neo Nazis, Skinheads and KKK.

So, who do you want in charge of your world? Consider4ring these panthers are from Virginia and came armed... I'd say they are not eligible for Oklahoma's open carry law and they should be put away.

What next, someone opens fire in downtown Tulsa? I'm personally tired of so-called leaders. I would just as soon not follow what we have now!!!!

Once more into the breach! Why? For Uncle Joe and Hunter, what else?
