

The Rebel Speaks

GOVERNMENT ANTAGONIST AND HUGUENOT

Well! Well! Well!!! This old man has been down these last months. With the stint (in my heart), a broken arm and bruised ribs... life has been somewhat difficult. This old Reb is going to take leave and spend the rest of my time with my wife and family.

It has been quite a journey; I know that the politics are about to boil over, and I would love nothing better than to be able to be in the fight! But this old Reb will always be with you.

Fight the good fight. To fight the illegal regime will be hard, but it must be done. The illegal "hole in the wall" gang cannot be allowed to sit in our highest office and then sell us out... which is exactly what they want; they will rule us with an iron hand. That means constant surveillance on every American man, woman and child. And with the help of Putin and the pinko-commie Chinese, the fight will be even harder.

Time to end it!!

Time for this old Reb to ride into the sunset for the last time. I bid you a final farewell!

"Hey, Cap! They caught those robbers up in the nations."

"You don't say, Mr. Harris!"

"Aye, Cap! They're going to be hung."

Big Bob sits with Helga half the day and sits across from the jail the other half of the day, staring at the prisoners window, not saying a word.

Doc says Helga will be fine and have many fine children!! Miss Rhea says the wedding was quite a shin-dig.

The corporal and his wife and daughter announce their

daughter's betrothal to one of the Bar-T boys. Little Bob and Ula are in a new house and one on the way.

"Cap! Someone said Billy Leonard was sighted ou on the pampas."

"Is that right, Mr. Harris? I suppose Tall Elk and Spotted Bear aren't too far away!"

"Probably not. I thought I heard a laugh in the distance yesterday, early."

"Ahh, Man that Laughs. All is right, Mr. Harris! All is right!!!

See you on the bridge!

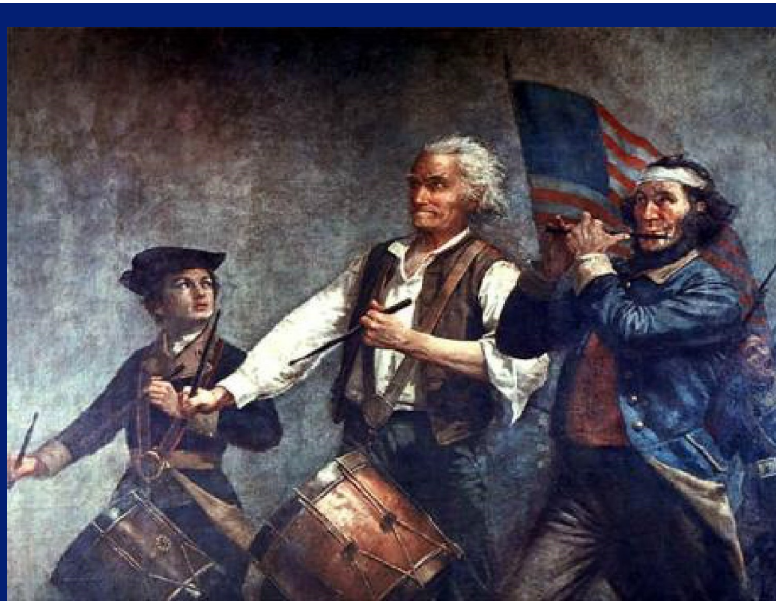

P.S. This is the only truly free country, ever, upon this world. Don't let it die with a whimper!!

P.S.P.S. The Rebel Speaks

website will remain open with new information.

God Bless. Merry Christmas and hope for the new year!

My love to all!!

They fought for our freedom!
